

Information Technology, software, consulting, office automation, universal and special data processing, mainframes, workstations, OCR, scanners, image processing, pre-print, office communications, word-processing, client server technologies, database development, computer entertainment and mobile computers.

COMPANY	WEBSITE	HALL	PRODUCT DESCRIPTION
❑ 3ware, Inc.	www.3ware.com	1	Switched storage solutions, delivers reliable, scalable, network-managed, high-performance storage.
❑ Accusys, Inc.	www.accusys.com	1	Manufacturer of Storage Systems
❑ ADDMASTER CORPORATION	www.addmaster.com	1	Manufacturer of bank teller receipt printers
❑ AirZip, Inc.	www.airzip.com	1	Software provider to both secure and speed delivery of documents, images and web applications.
❑ Anacomp International	www.anacomp.com	1	Global provider of information outsourcing, maintenance support and document output solutions.
❑ Arena-Maxtronic, LLC.	www.maxtronic.com	1	Manufacturer of top-of-the-line, user-friendly and cost-effective RAID solutions.
❑ Ateonix Networks	www.ateonix.com	1	Worldwide company providing cutting edge network appliance technology for small to mid-size companies, workgroups within larger companies and similar organizations.
❑ ATTO TECHNOLOGY INC.	www.attotech.com	1	Fibre Channel and SCSI storage-infrastructure solutions for data-intensive Content Creation, Rich Media and Enterprise environments
❑ Ci Design	www.cidesign.com	1	Manufactures external enclosures for tape, hard disk, CD and DVD drives.
❑ CNT	www.cnt.com	1	Provider of storage networking solutions
❑ COMPUTER NETWORK TECHNOLOGY	www.cnt.com	1	A global specialist in storage networking solutions.
❑ Dantz Development Corporation	www.dantz.com	1	Leading worldwide provider of backup software.
❑ Digi-Data Corporation	www.digidata.com	1	Manufacturer of digital magnetic tape transports and data processing/collection and conversion systems.
❑ EMULEX CORPORATION	www.emulex.com	1	Supplier of Fibre Channel host bus adapters
❑ Enterprise Florida, Inc.	www.eflorida.com	1	Partnership between Florida's business and government leaders and is the principal economic development organization for the State of Florida.
❑ Escend Technologies	www.escend.com	1	Enterprise applications, extended relationship management software.
❑ Extech Instruments	www.extech.com	1	Product Design, Quality Assurance, Technical Support, Calibration Laboratory, Customer Repair Service.
❑ Global Business Dimensions	www.globalbd.com	1	PC manufacturing & distribution, Computer products distribution, Semiconductor distribution , Software development.
❑ GlobalWare Solutions	www.globalwaresolutions.com	1	Provides software contract manufacturing, digital content management and e-Business solutions for the world's technological leaders.
❑ Gupta Technologies, Inc.	www.guptaworldwide.com	1	Producer of completely secure, small-footprint, embeddable databases and 4GL development tools.
❑ Ibill	www.ibill.com	1	Provider of turnkey e-commerce solutions for leading businesses around the world.
❑ Infortrend Corporation	www.infortrend.com	1	Infortrend is an industry-leading manufacturer of multi-platform high performance RAID controllers for SCSI, Fibre and ATA platforms.
❑ Ipswitch, Inc.	www.ipswitch.com	1	Develop high-quality, practical software
❑ JMR Electronics, Inc.	www.jmr.com	1	Developer of OEM & manufacturing solutions for the high-speed networking, digital, broadcast, and data-storage marketplaces
❑ JNI Corporation	www.jni.com	1	Manufacturer of connectivity products for the enterprise data center.
❑ Laserfiche Document Imaging	www.laserfiche.com	1	Offers smart, flexible, and easily integrated document management solutions for a broad range of business and government needs
❑ LC Technology International Inc.	www.lc-tech.com	1	Developer of PC based utility software
❑ Legacy Electronics, Inc.	www.legacyelectronics.com	1	Designer and manufacturer of industry-standard and custom memory modules.
❑ LSI LOGIC CORPORATION	www.lsillogic.com	1	Leading designer and manufacturer of communications, consumer and storage semiconductors for applications that access, interconnect and store data, voice and video
❑ MCDATA CORPORATION	www.mcdata.com	1	Providing highly available, scalable and centrally managed SAN solutions
❑ MTI Technology	www.mti.com	1	Data storage and data management solutions.
❑ Pegasus Disc Technologies	www.pegasus-ofs.com	1	Secondary storage data management software that enables organizations to manage data quickly and easily from a single share point over the network

<input type="checkbox"/> Pegasus Imaging Corporation	www.jpg.com	1	Delivers research-driven digital imaging software development tools and compression technologies
<input type="checkbox"/> PROMISE TECHNOLOGY, INC.	www.promise.com	1	Provider of ATA/IDE RAID Technology
<input type="checkbox"/> QLOGIC CORPORATION	www.qlogic.com	1	Integrated storage networking
<input type="checkbox"/> Revelation Software	www.revelation.com	1	Software – Component-based application development tools for dynamic Internet and network architectures.
<input type="checkbox"/> Royal Consumer Information Products, Inc.	www.royal.com	1	Royal offers a full line of consumer and office electronics.
<input type="checkbox"/> Scitex Digital Printing	www.scitexdpi.com	1	Development and manufacture of very high speed, 100% variable data, full-color printing systems and solutions.
<input type="checkbox"/> SD Card Association	www.sdcard.org	1	Association
<input type="checkbox"/> Softech Solutions LLC	www.stsolutions.com	1	Advanced software tools for diagnosis and repair of Sun systems and related technologies in the UNIX industry.
<input type="checkbox"/> Store Age Networking Technologies	www.store-age.com	1	Innovator in enterprise SAN storage management.
<input type="checkbox"/> Stream International	www.stream.com	1	Provides outsourced customer relationship management service including technical support, customer service, pre & post sales support and marketing services.
<input type="checkbox"/> Syscan Inc.	www.syscan.com	1	A pioneer in the research, development and commercialization of integrated hardware and software solutions for the mobile workforce
<input type="checkbox"/> TEXAS MEMORY SYSTEMS INC.	www.texmemsys.com	1	High bandwidth, low latency, I/O-intensive storage systems.
<input type="checkbox"/> U.S. Department of Commerce	www.commerce.gov	1	Groupstand of a number of U.S. companies.
<input type="checkbox"/> XIOTech	www.xiotech.com	1	Enterprise-class network storage solutions featuring the unified strength of the MAGNITUDE™ Hardware Platform and the REDI™ Software Family.
<input type="checkbox"/> Socket Communications	www.socketcom.com	2	Provides a broad range of network connection products for Windows powered handheld computers
<input type="checkbox"/> Cyberscience	www.cyberscience.com	8	Cyberscience provides innovative database analysis, business intelligence, decision support, production reporting and rapid application development solutions.
<input type="checkbox"/> Soft-Tech Solutions, Inc.	www.softtechsolution.com	8	Design and hosting from a simple static web page, enterprise system solutions, integration of diverse hardware and software solutions to meet specific needs of our clients, network development.

Information Technology, hardware and software, Internet-based solutions, communications and networks.

COMPANY	WEBSITE	HALL	PRODUCT DESCRIPTION
<input type="checkbox"/> Dolphin Interconnect	www.dolphinics.com	3	Develops, manufactures and markets high-speed, high-bandwidth interconnect products
<input type="checkbox"/> Ericom Software Inc.	www.ericom.com	3	Provider of corporate connectivity. Develops, markets and supports a complete line of interconnectivity software products including the PowerTerm ® series of terminal emulators.
<input type="checkbox"/> LINUX International	www.li.org	3	Non profit organisation who distributes information about Linux
<input type="checkbox"/> Logicube Inc.	www.logicube.com	3	Manufacturer of hard drive duplication
<input type="checkbox"/> Open Source Solutions	www.oss.net	3	Open Source Intelligence (OSINT), intelligence reform, and the creation of Smart Nations.
<input type="checkbox"/> Perle Systems	www.perle.com	3	Developer, manufacturer and vendor of IP and serial networking devices.
<input type="checkbox"/> MAPICS	www.mapics.com	4	ERP solutions
<input type="checkbox"/> TimeVision	www.timevision.com	4	Org charting software solutions
<input type="checkbox"/> Siteforum	www.siteforum.com	6	Development of innovative Web-based software

Data collection, handhelds and rugged portable devices.

COMPANY	WEBSITE	HALL	PRODUCT DESCRIPTION
<input type="checkbox"/> Multiscan	www.multiscan-corp.com	9	Manufacturer of machines for the data collection Industry
<input type="checkbox"/> Two Technologies	www.2t.com	9	Designer and manufacturer of hand held and panel mount products
<input type="checkbox"/> WalkAbout Computers	www.walkabout-comp.com	9	Designs, develops and manufactures highly rugged and reliable tablet computers and docking stations for mobile workers in demanding environments

Telecommunications & Networks, Satellite antenna reception systems, individual, Satellite receivers, Services, network-related, Stationary receiving stations for communication satellites, Telecommunications providers, Value-added services.

COMPANY	WEBSITE	HALL	PRODUCT DESCRIPTION
❑ Fortemedia	www.fortemedia.com	12	ForteMedia Inc. develops innovative noise suppression solution to enable hands free mobile communications.
❑ Strawberry	www.strawberrycorporation.com	12	Custom designs, engineers, and produces precision miniature hinges and latches for all types of electronic devices.
❑ COMVERSE	www.comverse.com	27	Converse is dedicated to the development and delivery of a broad range of multimedia network-based infrastructure, systems, applications and services
❑ Holoplex	www.holoplex.com	27	Provider of Enhanced Free Space Optics (EFSO) products for secure, high availability wireless optical connections.
❑ Newcont Ele	www.newcont.com	27	Production of electronic components and telephones in the telecommunications industry.

Telecommunications & Networks, CTI, Data communication, Data traffic, Image communication, Modems, Internet telephony, ISDN monitoring and management systems, ISDN switching systems, ISDN transmission systems, Measuring technology, Still image communication, Telecommunications, Telephone networks, connection and distribution equipment, Text communication, Transmission systems (cable-based) and cable systems, Videoconferencing systems, Voice communication.

COMPANY	WEBSITE	HALL	PRODUCT DESCRIPTION
❑ ACME PORTABLE MACHINES	www.acmeportable.com	13	Manufacturer of Computers and Equipment
❑ Agere Systems	www.agere.com	13	Advanced integrated circuit solutions that access, move and store network information.
❑ Agilent Technologies Inc.	www.agilent.com	13	Delivers product and technology innovations
❑ Alliance Systems	www.alliancesystems.com	13	Alliance Systems is a global systems integrator providing communication infrastructure
❑ Apache Micro Peripherals	www.apache-micro.com	13	Apache Micro Peripherals designs, develops, and manufactures a full line of broadband modems, analog modems, and networking products. Apache delivers communication solutions to end-users, small business, large organizations and governments worldwide.
❑ Arescom, Inc.	www.arescom.com	13	Provider of broadband and wireless (802.11) infrastructure equipment and services for the rapidly expanding broadband marketplace.
❑ Atrica	www.atrica.com	13	Atrica is poised to be the leading provider of Optical Ethernet solutions for Metropolitan Networks.
❑ Compunetix	www.compunetix.com	13	Compunetix, Inc. develops state-of-the-art multimedia multipoint telecommunications systems
❑ GlobespanVirata, Inc.	www.virata.com	13	Provider of integrated circuits, software and system designs
❑ Harris	www.harris.com	13	International communications equipment company focused on providing product, system, and service solutions for commercial and government customers.
❑ LINKSYS	www.linksys.com	13	Sales of wireless, routers, network cards and USB adapters
❑ Microwavenetworks	www.microwavenetwork.com	13	Wireless infrastructure and network solutions.
❑ Net To Net Technologies	www.nettonet.com	13	Provider of simple, cost-effective, IP Broadband Access solutions
❑ Net2Phone	www.isthe.net	13	Provider of voice and enhanced Internet communications services to individuals and businesses.
❑ NETWORK HARDWARE RESALE, INC.	www.networkhardware.com	13	large reseller of used Cisco Systems routers and switches.
❑ Patton Inalp Networks A.G.	www.patton.com	13	Production of network access and connectivity products.
❑ ProcureStaff	www.procurestaff.com	13	Provides technology and program solutions that enable clients to cost-effectively procure and manage highly qualified contractors
❑ PROXIM INC.	www.proxim.com	13	Wireless broadband networking, delivers a complete range of flexible, multi-standard wireless networking solutions for the enterprises, service providers, small businesses and homes.
❑ Qualcomm, Inc.	www.qualcomm.com	13	Leading developer and supplier of digital wireless communications products and services.
❑ Radio Waves, Inc.	www.radiowavesinc.com	13	Offers the most diverse product range of high-quality, competitively priced microwave antennas.

❑ REDCOM Laboratories	www.redcom.com	13	Designs and manufactures state-of-the-art telecom switching systems
❑ Sunrise Telecom	www.sunrisetelecom.com	13	Manufactures and markets service verification equipment to pre-qualify, verify, and diagnose telecommunications and internet networks.
❑ SysMaster Corporation	www.sysmaster.com	13	Developer of innovative devices for voice over IP and networking
❑ Wideband Semiconductor	www.wideband.com	13	provides product development, hardware engineering, IC development and software development for Digital Signal Processing (DSP) applications for the embedded computing, communications, video and control markets.
❑ ZOOM Telephonics	www.zoomtel.com	13	Designs, produces and markets dial-up modems, cable and ADSL modems, wireless LAN products, home phoneline networking devices, and other data communication products
❑ Trendware International	www.trendware.com	14	Leading manufacturer of networking products world wide.

Telecommunications & Networks, Network components, Network diagnosis & communications measuring equipment, Network security Networking computing software, Power supplies for information and communications systems.

COMPANY	WEBSITE	HALL	PRODUCT DESCRIPTION
❑ Equinix Systems	www.equinix.com	15	Equinix designs and markets serial connectivity products for Retail Point-of-Sale, Restaurant & Hospitality, Industrial/Process Control, Console Port Access, fax Servers and Remote Access.
❑ NetScreen Technologies	www.netscreen.com	15	Innovative and scalable network security solution.
❑ ASMARC	www.asmarc.com	16	Manufacturer of a variety of printers
❑ Austin & Williams Agency	www.auriga.com	16	Location-based analysis software application. Advertising agency.
❑ Carrollton, City of	www.ci.carrollton.tx.us	16	City of Carrollton
❑ Coyote Point Systems	www.coyotepoint.com	16	State-of-the-art in load balancing technology for Internet servers.
❑ CST, Inc.	www.simmtester.com	16	Electronic Equipment & Supplies Service & Repair
❑ CYCLADES CORPORATION	www.cyclades.com	16	Specialized in Linux networking solutions.
❑ Eaton Ergonomics	www.eatonic.com	16	Predictive text entry solutions for handheld devices.
❑ Ember	www.ember.com	16	We provide a comprehensive suite of EmberNet (Embedded Wireless Network) hardware and software products coupled with training and support programs for OEM and Enterprise customers within the industrial automation, building automation and defense industries.
❑ Ethercom	www.ethercom.com	16	The company designs, manufactures, and markets a range of high quality, cost effective networking products providing connectivity solutions for virtually any organization -- large or small.
❑ Global Enterprise Management Solutions Inc.	www.gemconsult.com	16	Business process expertise, technology solutions and user support.
❑ MRV Communications	www.mrv.com	16	Provider of optical network infrastructure and remote presence management solutions for enterprise and metro networks.
❑ NETWORK TECHNOLOGIES, INC.	www.networktechinc.com	16	Manufacturer Keyboard-Video-Mouse (KVM) Switches, Splitters and extension cables for PC, Mac, & Sun computers
❑ Neuro Logic Systems, Inc.	www.neuro-logic.com	16	Manufactures a broad range of proprietary ruggedized CRT and Flat Panel video display products, touch-input displays and interactive video display systems.
❑ OPTICAL CABLE CORPORATION	www.occfiber.com	16	Manufacturer of tight-buffer fiber optic cables for "high bandwidth" transmission of data, video, and audio communications.
❑ PATTON ELECTRONICS CO.	www.patton.com	16	Manufacturer of network access and connectivity products
❑ PSI - Progressive Source International Inc.	www.psicable.com	16	Connectivity Products including Datacom, Telecom, Fiber, OEM & More
❑ Riverstone Networks, Inc.	www.riverstonenet.com	16	Builds routers that convert raw bandwidth into profitable services for Metropolitan Area Networks.
❑ ROSE ELECTRONICS	www.rosel.com	16	Producer of KVM
❑ RWD Technologies	www.rwd.com	16	1) human performance improvement services in technologically complex work environments in several industries in its Performance Solutions Division; 2) full range of support services to companies implementing enterprise packages to help them integrate thei
❑ TECHARTS	www.techarts.com	16	Global Distributor of Technology Solutions.

❑ Virginia Economic Development Partnership www.yesvirginia.org

16 Virginia export promotion office

IT Security, biometrics & Card Technology.

COMPANY	WEBSITE	HALL	PRODUCT DESCRIPTION
❑ Authentec, Inc.	www.authentec.com	17	Semiconductors – biometric fingerprint sensors for PC, wireless, PDA, access control and automotive markets.
❑ Bioscript	www.bioscript.com	17	Bioscript Inc. is a leading provider of advanced fingerprint technology
❑ CIPI INTERNATIONAL	www.compid.com	17	Latest technologies in identification products including digital and photo ID systems, identification software, electronic visitor management systems, badge attachments
❑ CIRQUE CORPORATION	www.cirque.com	17	Provides input technology solutions for the consumer market and digital device manufacturers..
❑ DYNATICS ENGINEERING	www.Dynaticsengineering.com	17	Dynetics Engineering has been providing card issuing equipment and solutions.
❑ FARGO Electronics	www.fargo.com	17	ID card printers, encoders, membership badges, secure photo cards, smart cards, and complete access control systems.
❑ Funk Software	www.funk.com	17	RADIUS/AAA solutions and remote control/screen monitoring software
❑ ICMA	www.icma.org	17	ICMA serves the plastic card industry
❑ LaserCard Systems	www.lasercard.com	17	Optical memory card technology, providing secure and cost-effective solutions for government, industrial, and commercial applications worldwide.
❑ MAGTEK	www.magtek.com	17	Supplier of magnetic stripe card solutions
❑ NBS Card Technology	www.nbstech.com	17	Designs, manufactures and markets an integrated line of card issuance equipment for the Financial, Secure Identification, Loyalty, and Healthcare Markets
❑ RECOGNITION SYSTEMS, INC.	www.recogsys.com	17	Biometric access control, time and attendance, and personal identification products.
❑ Spartanics	www.spartanics.com	17	Specializes in the development, manufacturing and marketing of automated equipment.
❑ UNITEK AMERICA, INC.	www.unitek.com	17	The areas of specialization are: Telecommunications, Broadcasting, Energy and IP Solutions. The services include System Integration, Site Survey, Finance, Administration, Engineering, Installation Maintenance, training, Logistics, Consultancy and Manufactu
❑ VERSATILE CARD TECHNOLOGY, INC.	www.versacard.com	17	Producer of plastic cards

Banking Technology & Financial Services.

COMPANY	WEBSITE	HALL	PRODUCT DESCRIPTION
❑ Bematech	www.bematech.com	18	Banking Receipt and ATM printers.
❑ Cashscan	www.cashscan.com	18	Counterfeit money detection systems
❑ Cummins	www.cumminsallison.com	18	Manufacturing high-speed coin and currency handling equipment
❑ Diebold	www.diebold.com	18	Self-service terminals for the financial sector including remote teller systems.
❑ Hilton Trading	www.hiltontradingcorp.com	18	Large distributor of Counterfeit Money Detectors in North America, security products, and bill counters.
❑ MAGNER	www.magnerinternational.com	18	Money handling products and systems counting and sorting machines.

IT Equipment & Systems, Document shredders, Office printing and copying systems, Printers, Scanners.

COMPANY	WEBSITE	HALL	PRODUCT DESCRIPTION
❑ MA LABS, INC.	www.malabs.com	19	Computer component distributor
❑ MICRO ACCESSORIES INC.	www.micro-a.com	19	Computers Supplies & Parts & Accessories
❑ MIGHTY MICRO, INC.	www.mightymicro.com	19	A memory module manufacturer and PC component distributor.
❑ NASHUA MEDIA PRODUCTS	www.nachuamedia.com	19	Manufactures and markets a full Range of recordable data media products
❑ PREMIER HITECH	www.hightechnetworks.net	19	Provider for all hardware needs

❑ PRINCETON TECHNOLOGY, INC.	www.princetonusa.com	19	Largest electronics manufacturing services company
❑ Raven Industries	www.ravenind.com	19	Three core divisions are <u>Engineered Films</u> - makers of ultra thin and reinforced plastic sheeting, <u>Electronic Systems</u> - electronics manufacturing services, and <u>Flow Controls</u> - manufacturers of precision products for agriculture. They also provide manufacturing services and products through our <u>Aerostar</u> subsidiary.
❑ Stars Micro Computer	www.nsicomputer.com	19	Distributes all computer related components
❑ SUPER MICRO COMPUTER INC.	www.supermicro.com	19	Manufacturer of Serversystems, high-end motherboards, chassis and accessories.
❑ Thomson Financial Media	www.nationalmortgagenews.com	19	Creates new standards in customized information delivery and workflow integration
❑ Touch International	www.touch-international.com	19	Worldwide supplier of high-quality, touch-enabled displays and touchscreen components.
❑ TYAN COMPUTER CORPORATION	www.tyan.com	19	Designs, manufactures and markets advanced system board technology for high-performance servers and workstations.

IT Equipment & Systems, Digital audio, video, TV, Speakers, Storage systems Computer entertainment, Graphics and sound cards.

COMPANY	WEBSITE	HALL	PRODUCT DESCRIPTION
❑ Dell Computer	www.dell.com	20	Manufacturer of personal computers and servers.
❑ Hewlett Packard	www.hp.com	20	Computer equipment manufacturer, software and services.
❑ MedioStream	www.mediostream.com	20	Delivers the latest digital video technology to the consumer market through innovative, simple and easy-to-use software solutions.
❑ New Tech Infosystems	www.ntius.com	20	Developing and delivering innovative software solutions for the digital media market.
❑ Primera Technology	www.primertechnology.com	20	Manufacturer of specialty color printers.
❑ Shining Technology	www.shining.com	20	Designs, manufactures and markets a line of I/O devices that specifically target the Laptop, Portable and Desktop computing market.
❑ Sonic	www.sonic.com	20	Leading supplier of authoring systems for digital media – DVD and CD – production.
❑ BOXLIGHT	www.boxlight.com	21	Leading in the presentation industry with computer projection systems and service to all levels of business, education, and government.
❑ Dynapoint Inc.	www.dynapoint.net	21	As a high-tech manufacturer of computer mice under "Dynapoint" brand, we also do OEM projects for other companies.
❑ SANDISK	www.sandisk.com	21	Supplier of flash data storage products in consumer, OEM and industrial markets
❑ aJile	www.ajile.com	23	aJile Systems provides complete solutions for embedding Java performance into smart mobile devices, consumer appliances, industrial control and automotive communication devices.
❑ Altec Lansing	www.alteclansing.com	23	Altec Lansing is a leading manufacturer and marketer of high quality computer and home entertainment sound systems.

IT Equipment & Systems, Motherboards, RAM's, Processors and casings

COMPANY	WEBSITE	HALL	PRODUCT DESCRIPTION
❑ ADS TECHNOLOGIES	www.adstech.com	22	Manufacturer of Universal Serial Bus and IEEE-1394/FireWire Solutions for PC's
❑ Advanced Data Research, Inc.	www.adrsoft.com	22	Advanced Computing Technology Solutions for mobile data collection.
❑ Amos America	www.amoscomputer.com	22	Distributor and wholesaler of computer products and peripherals.
❑ APPRO International, Inc.	www.appro.com	22	High performance workstations, servers and storage solutions.
❑ Auriga, Inc.	www.auriga.com	22	Offshore software development, IT Consulting, staffing solutions.
❑ Automation Alley	www.automationalley.com	22	Promotes Oakland County's first-class technology cluster.
❑ Avus Systems and Peripherals Inc.	www.avus.com	22	Offers logistic services
❑ DURA MICRO, INC.	www.duramicro.com	22	AC/DC switching adaptors, power supplies.
❑ Ektron Inc.	www.ektron.com	22	Web content management systems – web-based editor components, authoring and publishing applications.

❑ EZ Quest	www.ezq.com	22	Develops and manufactures superb storage devices for the desktop computer market, while providing the highest level of service.
❑ Griffin Technologies	www.griffintechology.com	22	Hardware and software products for the Mac market. Manufactures numerous innovative video, audio, serial, and ADB adapters for the Mac.
❑ High Point Technologies Inc.	www.highpoint-tech.com	22	Provides solutions to manage the latest high performance storage devices for personal computers.
❑ IOGEAR	www.iogear.com	22	All-in-one solutions and support for computer connectivity needs for medium, small and home office environments.
❑ Kaser Corporation	www.kasersorp.com	22	Innovator of internet "appliances"
❑ Koolance, Inc.	www.koolance.com	22	Manufactures consumer-level PC liquid cooling systems
❑ Lind Electronics	www.lindelectronics.com	22	Development of portable power solutions for the computer industry.
❑ Newsoft America	www.newsoftinc.com	22	Develops, markets and distributes imaging and multimedia software solutions
❑ TRIAD SPECTRUM INC.	www.triadspectrum.com	22	Supplier of memory test systems
❑ Ultralife Batteries	www.ulbi.com	22	manufactures advanced, high-energy, lithium primary (non-rechargeable) and Polymer rechargeable batteries.
❑ WINTEC INDUSTRIES INC.	www.wintecind.com	22	Manufacturer of computer systems and memory modules and a fast growing value-added distributor for computer hardware and software.
❑ Superpower Supply	www.superpower.com	24	PC chassis and power supply manufacturer
❑ Corsair Memory, Inc.	www.corsairmicro.com	25	Design and manufacture of high-speed modules.
